

Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
BE.	Sri Eshwar College of Engineering	7.70 (Current)	2024-2028
Senior Secondary	Green Park International Senior Secondary School	69%	2022-2023
Secondary	Sri Vageesha Vidhyashram Senior Secondary School	92%	2020-2021

Experience

• **Future Intern**

FullStack WebDeveloper Intern

April. 2025 - Present
Remote

Hands-on experience building responsive web applications using HTML, CSS, and JavaScript. Proficient in React.js for creating dynamic user interfaces and managing state efficiently.

Projects

SmartPark

May. 2025
Github

- Used HTML, CSS, JavaScript, React for dynamic UI, and Leaflet.js for interactive map-based parking visualization.
- SmartPark is a smart parking web app that shows real-time parking spot availability. Users can view, book, or release spots, while admins manage and update statuses efficiently.

EndoEase

Apr. 2025
Github

- EndoEase is a supportive web app designed for people with endometriosis.
- Built with HTML, CSS, JS, and React, the app helps users log symptoms, access resources, connect with a community, and support early diagnosis.

Dopamind

Feb. 2025
Github

- Dopamind is an ADHD-friendly task planner that enhances focus with visual cues, timers, and progress tracking in a clean, distraction-free interface.
- Tech Stack: Built using HTML, CSS, and JavaScript.

Key Courses Taken

- Data Structure,Algorithms, Web Development, Postman Fundamentals, Nptel C Programming

Technical Skills

- Languages C, C++, JavaScript, Python
- Web Html, Css, React.js
- Tools & Platforms Git, GitHub, Visual Studio Code
- Areas of Interest Full-Stack Development and AI/ML

Positions of Responsibility

- MoC , JP Morgan Recruiters Talk, Sri Eshwar College of Engineering
- Mediamax Shoot & Canvassing Assisted in college promotional shoots and canvassing activities.
- Event Coordinator, SAP Fest, Hackathon

Achievements

- Second Runner Up , Freshathon'25, SECE.
- LeetCode Active Contributor Regularly solving LeetCode problems
- Solved 600+ problems on SkillRack
- Bronze Level – C (HackerRank) Achieved Bronze badge in C on HackerRank.

Certifications

- Nptel C Programming Course
- C and C++ Training Certificate Remote exam from IIT Bombay
- Mastering Data Structures & Algorithms using C and C++
- Software Engineering Job Simulation
